v.

Field Office; ALEJANDRO MAYORKAS,

Case No. 2:23-cv-00890-KKE

STIPULATION AND ORDER FOR
EXTENSION OF TIME

Defendants' motion to dismiss is currently pending. The parties believe that the Court's decision on that order will define the scope of necessary discovery, if any. In light of that, the parties believe it is best to preserve their resources and wait to determine how to approach discovery and other pretrial issues and scheduling until after the Court issues its order. Thus, there is good cause for, and the parties stipulate to extending the current deadlines set by the Court regarding initial disclosures and a Joint Status Report until two weeks after the Court issues its order regarding Defendants' pending motion to dismiss.

Subject to the Court's approval, the parties stipulate to and request the following:

1. The current deadline to file a Joint Status Report and serve initial disclosures is extended until two weeks from the date the Court issues an order on Defendants' pending motion to dismiss.

Stipulated to and presented this 5th day of February, 2024.
